<b>DATE:</b> June 22, 2026	<b>SUBJECT:</b> 2026 Updated Field and Facility Rental Fees
<b>FROM:</b> Valley-Wide Recreation and Park District	<b>TO:</b> Members of the Public/Residents/User Groups/Community Services Organization

To whom it may concern,

Valley-Wide Recreation and Park District's ("District") current Field and Facility Rental Fee rates are enclosed, which includes the rates of five User Subsidy Tiers for both In-District and Out-of-District users. These official fee rate changes are part of our ongoing effort to ensure the District remains financially sustainable and can continue to invest in our parks and programs. All figures have been checked and verified to be accurate.

The District will continue working and coordinating with user groups that qualify as Community Service Organizations that offer recreation programs to district residents that augment the Mission of Valley-Wide Recreation and Park District "*to responsibly provide exceptional programs and quality recreation and park facilities that promote community involvement and healthy lifestyles*"; consequently, qualifying them for Tier 2 rates.

The attached rate sheets are included for your convenience and reference.

Thank you for your continued support.

Sincerely,  
Valley-Wide Recreation and Park District
