GM MESSAGE

SPRING 2025

Dean Wetter
General Manager
Valley-Wide Recreation
& Park District

Beloved actor Robin Williams once said, "Spring is nature's way of saying, 'Let's party.'" We could not agree more. Spring is a time to party at Valley-Wide facilities. It is a time of renewal when thousands of children take to our green grass to play baseball and softball. It also is when we open the Diamond Valley Aquatic Center, where visitors can swim and play in the pool and many will learn how to swim.

Spring symbolizes a celebration of life and the beauty of nature coming back to life after winter. We should embrace the spirit of the season, appreciate the blooming flowers, the chirping birds and the longer days filled with sunshine. Valley-Wide has been creating community since 1972 and we count our success in smiles – the smile on a child's face when she gets her first hit in T-ball or he makes a basket in basketball. The huge grin on Mom and Dad's face as they watch their children play. The joy of a toddler swinging on a swing or climbing a jungle gym, someone walking their dog or a family celebration under a gazebo.

Every year, Valley-Wide offers more than 70 unique events. Spring and Summer activities include Easter Egg hunts, the Bunny Hop run/walk, movies in the park throughout our District and Independence Day fireworks. We celebrate Park and Recreation Month each July with free events at all our recreation centers. I am honored to be the General Manager of Valley-Wide Recreation and Park District, and I am proud to have grown up in our District. I encourage you to spend time at any of our parks .... and smile!

FRIENDS OF VALLEY-WIDE FOUNDATION

In Loving Memory

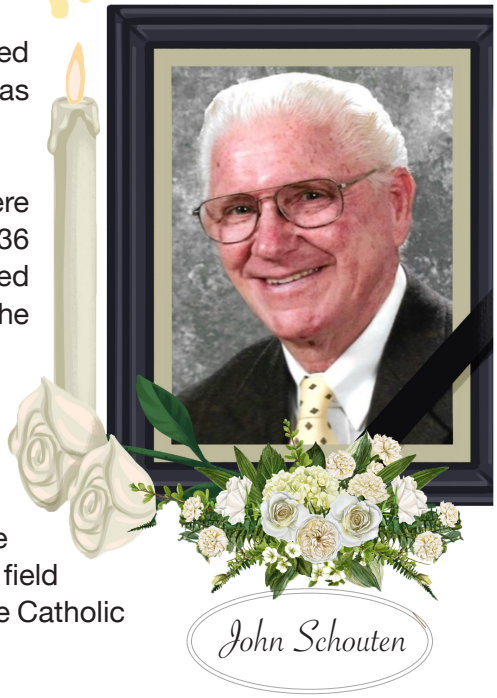

Sandy Minor

Valley-Wide Recreation and Park District lost two great friends recently in Sandy Minor and John Schouten. Both were tremendous boosters of the district through their families.

Sandy Minor was married to longtime Board Director Larry Minor. The Minor family has been generous to Valley-Wide in both time and money to benefit our programs and the youth in the community. Sandy was an integral member of the Friends of Valley-Wide Foundation. She was quick to volunteer and helped with organizing numerous events. Among the family's many generous donations was the equipment in the snack bar at Diamond Valley Lake Community Park. She encouraged her children to participate in sports and traveled the country to watch them play.

Sandra "Sandy" Minor passed away on July 17, 2024. She was born in Hemet and she attended Little Lake Elementary, Hemet Junior High and Hemet High. She was very active in Rainbow Girls and involved in high school journalism. Sandy married Larry Minor on July 15, 1977 and they enjoyed 47 years of marriage and a life of many adventures.

Sandy is survived by her husband, Larry Minor of San Jacinto; her sister, Donna Beyer of Encinitas; her children, Andy and Sarah Minor of Redlands, and Aimee Balcunas of La Quinta; her grandchildren, Danny & Alice Minor, Hayden & Reagan Balcunas, Bryce & Alexis Minor; and three great grandchildren.

John Schouten

John Schouten was an outstanding youth sports coach who mentored many children who played in Valley-Wide programs. His brother, Nick, has spent nearly 50 years on the Valley-Wide Board of Directors.

John and his wife Sandra settled on a dairy in San Jacinto in 1970, where they raised their seven children, which brought 25 grandchildren and 36 great-grandchildren and three more soon coming. John Schouten died Nov. 3, 2024. John and Sandra were married for nearly 50 years, before she passed away in 2008.

John liked to help young people succeed in sports and he impacted countless lives as a coach. He started his path in coaching with flag football, while in Torrance. When coming to San Jacinto, he expanded that at St. Hyacinth Academy with both flag football and track & field. He also coached Jr All-American Football, started the Valley's first track & field club, helped start the Valley League for middle school sports; as well as the Catholic Schools league track & field meet championship.

Sandy and John were great supporters of Valley-Wide Recreation and Park District and we miss them deeply," Valley-Wide General Manager Dean Wetter said. "Their impact on the District and those who participate in our programs will be felt for many generations to come."

ABOUT

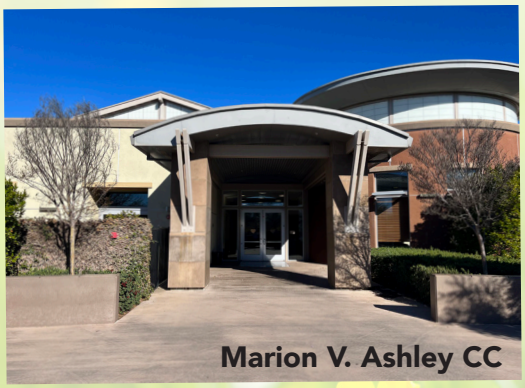

District Office

VALLEY-WIDE RECREATION & PARK DISTRICT

Valley-Wide Recreation and Park District is an independent special district created to provide park and recreation services for an area that now includes more than 275,000 residents. Our boundaries encompass an 800-square-mile area, which includes the cities of Hemet, Menifee and San Jacinto and the unincorporated communities of Aguanga, French Valley, Winchester, Temecula, and Valle Vista. In the early 1970s, a group of San Jacinto Valley residents teamed up to promote a Park District to offer recreational opportunities for youths, adults and seniors. The District was approved by voters and authorized on July 27, 1972. Since its creation, the District has grown from one park to 100 parks and facilities, many of which have received national and state recognition for their design, innovation and style, as well as youth and adult sports leagues and hundreds of educational and recreational classes and programs. Valley-Wide parks attract an estimated 4 million visitors per year.

> The mission of Valley-Wide Recreation and Park District is to responsibly provide exceptional programs and quality recreation and park facilities that promote community involvement and healthy lifestyles.

STREET RENAMING CEREMONY

March 29, 2025, 11 a.m.

Diamond Valley Lake Community Park

We are pleased to invite you to join us in a ceremony to recognize former General Manager Sam Goepp and longtime Board Members Larry Minor and Nick Schouten for being fundamental to the history of Valley-Wide Recreation and Park District. Valley-Wide will rename streets in Diamond Valley Lake Community Park in honor of these three individuals as part of the Youth Baseball/Girls Softball Opening Day ceremonies.

THANK YOU!

Randy Record
Former EMWD
Board of Director

Valley-Wide Recreation and Park District cherishes all of its community partnerships and one very special one is with Eastern Municipal Water District. The districts have teamed up on many partnerships over the past five decades, most recently in using recycled water at numerous facilities to save precious drinking water.

One constant over the past 24 years has been Randy Record, who recently retired from the EMWD Board of Directors. "Randy Record has been a true friend to Valley-Wide and we wish him the best in retirement," Valley-Wide General Manager Dean Wetter said. "He has been a champion for our district and everyone who visits our parks."

Since EMWD's formation in 1950, there have only been four Division 3 representatives serving San Jacinto and surrounding areas. Record and his father, Clayton Record, Jr., are two of those representatives, collectively serving for 30 of the agency's nearly 75-year history. Randy Record was elected in January 2001 and served two terms as board president. In January 2003, Record was appointed to the Metropolitan Water District of Southern California Board of Directors and served as EMWD's representative there for 20 years, including consecutive terms as chairman from 2014 to 2018.

During his tenure, Record was a leading voice in bringing together water users from urban and agricultural backgrounds to find common solutions to California's water challenges. His focus was on building coalitions and advancing long-term solutions such as the California Water Fix and the Regional Recycled Water program.

Anyone who arrives at Echo Hills Golf Course immediately sees a sign that proclaims it as the "Friendliest Golf Course in the San Jacinto Valley". Ed Dover created the nine-hole, 26-acre course on the site of what was once a chicken ranch. He converted an old chicken shed into the clubhouse that's still in use today. Echo Hills opened in 1959. Valley-Wide Recreation took over the course in 2011 and following a rehabilitation, it reopened in 2013. A 2,229-yard, par 35 course, Echo Hills is geared toward beginners and senior golfers. Although the course is considered easy to walk and great for healthy exercise, cart rentals are available. Tee times should be arranged over the phone. Classes are held at various times throughout the year in conjunction with Grandfathers for Golf, an organization that attracts youth to the game and teaches underprivileged children and others how to play the game.
